

# Product Introduction Bonuses (PIBs)

Isagenix gives Independent Associates the opportunity to earn money when they personally help a new Customer start on Isagenix products. If you're an Associate, you can earn a one-time Product Introduction Bonus between US\$10 and US\$150 for each new Personally Enrolled Customer who joins Isagenix on a qualifying pack or system.

Earn a bonus equal to **10% of the business volume** on new Customer initial orders that don't already come with a PIB!

## FOR ASSOCIATES:

**If you have a recognition rank of Associate or higher, when you share Isagenix with a new Customer, you'll earn 10% of a PIB on any BV amount from the new Customer's initial order that doesn't already have a fixed PIB dollar amount.**

### Example:

You enroll a new Customer with a variety of individual products totaling 150 BV, so you receive a PIB of US\$15 ( $150 \text{ BV} \times 10\% = \text{US}\$15$ ).

## FOR CUSTOMERS:

**As a Customer, you can also take advantage of this new PIB incentive when you share Isagenix with new Customers!**

When you share PIB packs that have a fixed dollar amount, you'll earn a Product Introduction Reward (PIR) coupon equal to the value of an existing PIB dollar amount. When you share products that don't have a fixed PIB dollar amount, you'll earn a PIR coupon equal to 10% of any BV amount from the new Customer's initial order.

### Example:

You enroll a new Customer with a Weight Loss Basic Pack, which has a fixed dollar amount PIB of US\$25, so you receive a PIR coupon of US\$25.

**OR**

### Example:

You enroll a new Customer with a variety of individual products totaling 75 BV, so you receive a PIR coupon of US\$7.50 ( $75 \text{ BV} \times 10\% = \text{US}\$7.50$ ).

If you're a Customer, you can earn **PIR coupons** when you help a new Customer join and order a qualifying system.

**Help a New Member Join + Product Introduction Pack = Up to US\$150 PIB/PIR**
